Dear Friends,

Another word for true and lasting happiness is "blessedness" or "beatitude." In today's gospel, Jesus in the Sermon on the Mount shows that he really wants his followers to have true and lasting happiness, the happiness that the world, and everything in it, cannot give. This state of blessedness is what Jesus calls being in the "kingdom of God". The eight beatitudes we have in today's gospel constitute a road map for anyone who seeks to attain this happiness of the kingdom.

Everybody seeks happiness. But often we look for it in the wrong places. Ask people around you what makes people happy and compare the answers you get with the answers Jesus gives. The world has its own idea of happiness.

We see that the values prescribed by Jesus in the Sermon on the Mount are in fact counter-cultural. We cannot accept these teachings of Jesus and at the same time accept all the values of the society in which we live. Of course, Jesus does not demand that we abandon the world, but he does demand that we put God first in our lives because only God can guarantee the true happiness and peace that our hearts long for. Nothing in the world can give this peace, and nothing in the world can take it away.

The Eight Beatitudes do not describe eight different people such that we need to ask which of the eight suits us personally. No, they are eight different snapshots taken from different angles of the same godly person. The question for us today, therefore, is this: "Do we live our lives following the values of the world as a way of attaining happiness or do we live by the teachings of Jesus. If you live by the teachings of Jesus, then rejoice and be glad, for your reward is great in heaven.

With every blessing and prayers, *Fr John*

## **IMPORTANT NOTICE**

### **CAR PARKING AT ST FELIX CHURCH** **FOR SUNDAY MASS**

When parking for Sunday Mass please do not:  
block other cars in the car park,  
or the access from the road to the church,  
or the turning circle directly outside the church doors.  
These areas are needed to allow access to the church in case  
of an emergency.

There are 34 parking spaces and 2 disabled parking spaces,  
so a total of 36 parking spaces in the church car park.  
Once these car park spaces are full please park in the roads

**Well done everyone:**

**St Felix is now a 'LiveSimply Award' parish**

Inspired by Pope Francis' encyclical *Laudato Si'* we have been working towards the **LiveSimply Award**.

The award is an opportunity for Catholic communities to answer the call for us to care for our common home and stand in solidarity with our sisters and brothers around the world by

commitment to ongoing prayer and action....

Reflections to inform our thoughts, prayers and actions on  
'Living Simply'

**EXCERPTS FROM:**

**The Call of Creation**  
**Catholic Bishops' Conference of England and Wales**  
**[Department for Social Justice]**  
**2022**

"All religious traditions encourage simplicity of life, often even a certain austerity. In the Christian tradition, this wisdom derives from the Lord's own profound saying 'Where your treasure is, there will your heart be too' (Matthew 6:21). The desire for affluence, for more and more possessions, for almost anything new, can begin to dominate us. In a consumerist age, the pressure exerted on us by advertising and by the visibility of luxury goods all around us encourages the assumption that it is our right to use the gifts of creation entirely as we wish. It will require continuing reflection about how our habits of life can all too easily become excessive and wasteful, and how they affect the well-being of others, to counter these pressures. Nevertheless, to do so is a way of co-operating with Christ's mission to bring reconciliation and peace, and indeed can truly be a way of learning afresh to love God and our neighbour."  
(p.22)

"The exercise of the virtue of solidarity and the promotion of the common good are **the responsibility of each and every Individual** and institution in society. We must all learn to respect nature in ways that are consistent with its God-given laws. Individual choices can seem insignificant when faced with such global challenges. But, as... Pope Francis has rightly stated... multiplied individual actions can indeed make a real difference."  
(p.24)
